Charles S. Peterson

Republican Candidate for President and Member Board of County Commissioners

CHARLES S. PETERSON
was born in Daglön, Sweden, came to America when fourteen years of age, and has made his home in Chicago since that time. Serving his trade as a printer, he later went into business for himself and is now president of the Peterson Linotyping Company, the Regan Printing House and the G. D. Steere Bindery—all under one management.

He is active in every movement for good government, and a firm advocate of efficiency and economy in the administration of public affairs. He is pledged to a businesslike administration of the County affairs, should he be elected President and Member of the County Board, and to progressive and helpful activities in each of the great institutions administered by the Board.

During the world war Mr. Peterson raised Company M, First Regiment, Volunteer Training Corps and served as captain. He participated in every drive for funds in behalf of the government or for the relief and assistance of the boys at the front and their families at home.

Mr. Peterson is an active patron of the arts and deeply interested in all educational activities. He is a liberal contributor to all movements having in charge the care of little children, the aged and the indigent.

He seeks office as President and Member of the Board of County Commissioners on his record as a painstaking and careful executive and successful business man; he pledges to the community the same quality of service in the upbuilding of his own enterprises, and to the employees or wards of the county the same forethought and consideration shown the thousands of more men and women in his own employ.
